**The Green Ninja Pro is our smallest of the petrol powered Satusteam™ machines.** Our patented Satusteam™ technology offers a safe zone for everybody - far removed from the obvious harmful effects of poisonous herbicides. Research confirms that Weedtechnics Satusteam™ weed control systems are 3x faster than hand weeding.

### Key Highlights

#### No spray drift, no worries!

Weedtechnics applicator heads are carefully engineered to have the maximum effect of Satusteam™ on those annoying weeds. All the white clouds you create are just chemical free steam. It is even safe to use your treated area immediately.

#### Easy Satusteam™ Delivery

The cool-touch lance is light weight, easy to handle. Coupled with the wheel kit, the lance is easily manoeuvrable. You can reach those nooks and crannies with just a feather-touch push!

#### Built to last

The Green Ninja Pro is built to handle long hours of daily use. It is capable of treating dense weed infestation in tight spaces, with ease.

#### Feel empowered

Weed control with a Satusteam™ machine gives you more time in your hands to dedicate to the things you love. Keep those pesky weeds at bay without breaking your back or stressing your arms!

# What's your Satusteam™ solution?

We specialise in creating 'custom solutions' for weed control. We listen to your weed problems, analyse your concerns and design a custom solution that is special for you. With top-notch customer service and technical support, you are in for a life-changing experience. We recommend undergoing safe operations, maintenance and productivity training for 1st time machine owners.

All Satusteam™ machines can be fitted on a skid or arranged on a trailer. **Ask your Satusteam™ expert for more information.**
